

Topic and Speaker			Chairperson
09:30-10:30	Registration		Dr. Eun-Kyoung Choi (Hallym University)
10:30-10:35	Opening Remarks	Dr. Yong-Sun Kim <i>Director, Ilsong Institute of Life Science, Hallym University, Korea</i> <i>President, The Korean Society for Gerontology, Korea</i>	
10:35-10:40	Welcome Address	Dr. Sang-Hoon Bae <i>President, Hallym University Medical Center, Korea</i>	
10:40-11:20	Lecture(1)	Biological Functions of Senescence Marker Protein 30 (SMP30) and its Neurological Aspects in Aging <i>Naoki Maruyama, M.D., Ph.D., Tokyo Metropolitan Institute of Gerontology, Japan</i>	Dr. Won-Ki Kim (Ewha Womans University)
11:20-12:00	Lecture(2)	Long-term Changes in Regional Profiles of Prefrontal Gene Expression in an Animal Model of Stress-induced Hypercortisolism <i>Song Her, Ph.D., Korea Basic Science Institute, Korea</i>	
12:00-13:00	Lunch		
13:00-14:00	Poster Session		
14:00-14:30	Lecture(3)	Antiparkinsonian Effects of Dextromethorphan Analogs <i>Eun-Joo Shin, Ph.D., Neuropsychopharmacology and Toxicology Program, College of Pharmacy, Kangwon National University, Korea</i>	Dr. Hyoung-Chun Kim (Kangwon National University)
14:30-15:10	Lecture(4)	Cannabinoid Receptors Contribute to Survival of Nigral Dopaminergic Neurons by Inhibiting Microglial Activation in the MPTP Model of Parkinson's Disease <i>Jin Byung Kwan, Ph.D., School of Medicine, Ajou University, Korea</i>	
15:10-15:20	Coffee Break		
15:20-16:00	Lecture(5)	A Physiological Approach to DRPLA, a Type of Triplet Repeat Disease <i>Toshihiko Aozaki, M.D., Ph.D., Tokyo Metropolitan Institute of Gerontology, Japan</i>	Dr. Young-Ho Koh (Hallym University)
16:00-16:40	Lecture(6)	Protein Handling Problems in Neurodegenerative Diseases: Dysfunction of Ubiquitin Proteasome System in Huntington's Disease <i>Hyemyung Seo, Ph.D., Dept. of Molecular & Life Science, Hanyang University, Korea</i>	
16:40-17:20	Lecture(7)	In Memory of Pre-senile Neurodegeneration: Presenilin, Enhancer, and Inhibitor <i>Weiming Xia, Ph.D., Center for Neurologic Diseases, Harvard Medical School and Brigham and Women's Hospital, USA</i>	
17:20-17:30	Ceremony of Awarding the Best Ilsong Poster		
17:30-17:40	Closing Remarks	Dr. Eun-Chung Jhee <i>Professor, Biochemistry School of Dentistry, Chonbuk National University, Korea</i> <i>Vice-president, The Korean Society for Gerontology, Korea</i> Dr. Naoki Maruyama <i>Vice-Director, Tokyo Metropolitan Institute of Gerontology, Japan</i> <i>President, The Japan Society for Biomedical Gerontology, Japan</i>	
17:40-	Reception
